

Touch POS monitor CTC Series

The GEEPHEON Touch POS Monitor features a 15" multi-touch screen with projected capacitive technology. A durable glass overlay ensures high durability and scratch resistance, maintaining perfect picture quality even if scratched.

The solid, steady base with an adjustable stand offers full 90-degree positioning angles. The edge-to-edge glass design provides an eye-catching finish with high light transmission, guaranteeing perfect picture clarity and vibrant colors.

CTC1523A AA 03

• Slim body

- Narrow bezel Lightweight portable design, low space requirements, easy carry and installation

• Plug & Play Touch Solution

- PCAP touch technologies.

• Physics Tempered Glass

- The screen is protected by tempered glass to prevent accidental impact damage

• IPS Panel
